

**Safety Information for Canoe Rentals**

- I will respect all rental equipment issues to me and will not accept any item unless it is in good, serviceable condition. Any equipment that is returned damaged upon return will be reimbursed to Cairn Leadership School, LLC.
- I will not overestimate my swimming abilities and will wear my lifejacket at all times to prevent accidental drowning.
- I am aware that there may be rapids, rocks, submerged logs in the river. I will only attempt river conditions within my boating abilities.
- If I capsize my canoe I will stay upstream from the craft and hold on. I will position my feet facing down stream to protect myself from rocks, logs and other submerged objects.
- I will comply with and follow all safety instructions, operating instructions or similar guidance with regard to all equipment and/or as may be issued by instructors of Cairn Leadership School, LLC.
- I will wear protective footwear to protect me from sharp objects, sticks, broken glass.
- I will be at my pickup points at scheduled and agreed upon times and will have all rental equipment with me and ready for return.
- I will use equipment for uses that it is designed for. I will not burn, break or drag rental equipment.
- The canoes you are renting are plastic. They are not to be used for benches, tables, sleds or campfires.

Please Check One

I would like to have a safety presentation

I do not want a safety presentation. I represent that I have knowledge of water safety and the safe operation of canoes.
